AADE National's Fin, Feather, Fur Food Festival
"The F⁵ XIII"

August 4, 2016

Dear AADE Members:

Welcome to the **13th annual** AADE National Board of Directors' **Fin, Feather, Fur Food Festival....F⁵ XIII** to be held on Thursday, **November 10, 2016**.

Your National AADE F⁵ staff members are getting excited as this year's event gets closer and we are hoping to see all of you there from 3:30 p.m. to 10:30 p.m. at the Humble Civic Center arena (<http://www.humbleciviccenter.com>).

We are expecting 100 teams to cook and compete, each serving food samples of entrees, hors d'oeuvres, salads, soups, gumbos and desserts. The evening will be filled with **great food & fun!**

And the F⁵ festival is a **great value for you!** Go out for an evening of "fabulous food, great fun and adult beverages" with a **ticket price of only \$30!** The F⁵ is a great venue to mingle and network with your friends, co-workers and/or clients.

Last year's Crowd's Choice Awards were a success. We are giving the attendees a chance to vote for their favorite dish. Please make sure to submit your vote for your favorite dish!

Please bring your ticket to the entry gate to receive a wrist band. Again, we will continue with the wristband* system for entry. All participants and attendees require a wristband*.

The proceeds of F⁵ event benefit the operation of the AADE National Board of Directors and your eleven AADE Chapters located in New Orleans, Lafayette, Houston, Dallas, Midland, Oklahoma City, Denver, Bakersfield, Anchorage, Appalachian and Central Texas. More specifically, this event helps support AADE's petroleum energy education programs. There are many and the following are just a few examples:

- 24 AADE licensed **Student Sections** located on university, college and high school campuses from West Virginia to Fairbanks, AK.
- Support for student section members to attend AADE’s Spring Technical Conferences as well as present student poster sessions. The AADE Technical Conference is an excellent venue to meet these young, upcoming professionals and recruit them to your company!
- Funds to supply equipment and computers for petroleum engineering labs and programs at universities in the AADE chapter areas.
- Support of the AADE *Knowledge Box* teaching tool and the *Expanding Petroleum Energy Education (PE³)* teacher guide used to educate public school students about our industry. This education initiative is now nation wide.

Last year, we sold out of booth space, so please review this year’s sponsorship levels and make your choice quickly. Don’t delay, it’s ***“first come, first served”***; the sponsorship letter will go to the AADE membership in September. **Get your entry application and reservations in BY SEPTEMBER 15th or you may lose your spot to someone on the waiting list.** As you know, **AADE functions fill up and sell out quickly. Don’t be left out!**

Attached is information regarding team sponsorships, entry tickets, hotels, map and schedule of events. Members of the AADE F⁵ Committee look forward to hearing from you and seeing you on the evening of November 10th!

Sincerely,

Andy Ellis

AREA MAPS

Its easy to find us, and just about everything you want is very close by!

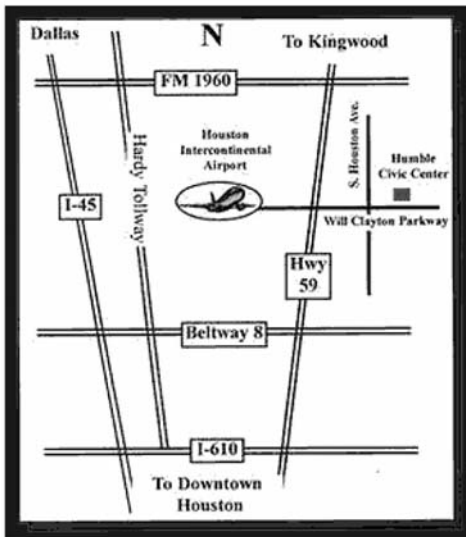

Yahoo Map

Humble civic center and arena complex are located north of downtown Houston near Bush Intercontinental Airport.

Exit US 59 North at Will Clayton Parkway.

Go east on Will Clayton Parkway approximately 1 mile. The physical address is

8233 Will Clayton Parkway.

To get to the Humble Civic Arena, turn into the Humble Civic Center parking lot and go to the right. The Humble Civic Arena is located directly east of the Humble Civic Center behind the apartments.

Two possible routes to avoid Will Clayton Parkway:

- Beltway 8 east to Wilson Rd turn north to Will Clayton turn west to arena
- Hwy 59 to 1960 bypass turn right go east to South Houston Avenue turn right go South to Will Clayton
