**Getting the job done right.
That's the mark of Tiger.**

Make it happen.

Predictable, purposeful, available, dependable. These are traits you can expect from Tiger Offshore Rentals. Always. We know that every minute offshore is mission critical, so we've built our company to come through for you, when and where you need us. We keep a large inventory of the latest high-quality equipment ready for dispatch from key ports in North America, South America, Africa, Europe, Mediterranean, Middle East and Thailand. We utilize the most advanced equipment design and safety procedures, and every unit is diligently maintained for top performance. When you call Tiger, you get a partner who works hard to bring real value to your operation. You get experienced industry experts who understand the challenges of offshore. You get skilled dispatchers who are eager to help you 24/7/365. In short, we get the job done right.
