our capabilities video

Tiger Offshore Rentals is a world-class U.S. based service provider of specialty transport tanks and logistics cargo carrying equipment for the offshore energy industry. Tiger's best-in-class assets are used to store or safely transport items such as fluids, waste, dry goods, refrigerated/perishable groceries, construction supplies, or large bulky items, to and from offshore drilling, production, wind or construction worksites.

We utilize the most advanced equipment designs and QHSE procedures. Every unit is diligently maintained for top performance. Our units are designed for offshore dynamic lifting in accordance with standards such as DNV 2.7-1, DNV 2.7-3, EN12079, API RP 2A, IMDG, ASME VIII, IM101, USCGA, ISO 10855, UN31H2/HM-181, NORMAN 05/DPC, USDOT & UN31A. Tiger is ISO 9001, ISO 14001, OHSAS 18001, and DPC MARINHA do Brasil certified.

Our facilities keep a large fleet of inventory ready for dispatch from key ports around the world spanning across North and South America, Africa, Europe, the Mediterranean, and the Middle East.

At Tiger, we know you are on a mission to succeed and we want to help you **MAKE IT HAPPEN.**
